To the Assessors of the Town of Shapleigh, Maine:

At a meeting of the trustees of the Town of Shapleigh School District holden at Shapleigh, Maine on the 16th day of February, 1961.

Whereas, the Legislature of the State of Maine in Chapter 44, Sec. 1, laws 1949 did incorporate the Town of Shapleigh School District and whereas under Chap. 44, Sec. 5, of the laws, the trustees determined that the sum of Three Thousand Dollars (\$3,000.00) is necessary to meet all obligations of said District for the year ending on the second Saturday in March 1962.

You are hereby required, in the name of the State of Maine to assess the said sum upon the polls and estates of said Town, agreeably to the laws of said State and cause the same in like manner to be collected and paid to Clyde F. Mann, Treasurer of said District before the 31st day of December next.

REPORT OF THE SHAPLEIGH FIRE DEPARTMENT

The following is a short report of the activities of the Shapleigh Fire Department for the year ending February 1, 1961.

Painting of the exterior of the building had been started and is expected to be finished by early spring. Grading of the grounds along with putting up a heavy rail fence had been started and also will be completed this spring.

A signal generator has been installed at the Springvale Fire Station which enables them to actuate the siren aloft the Shapleigh Fire Station by remote control.

There has been a two-way radio installed in the fire truck, which is operated on the same frequency as Springvale and Sanford Fire Departments radios.

An inner office has been built at the Fire Station to make a better place to keep records and other office supplies.

The Shapleigh Civilian Defense Office has been moved to the Fire Station. The Civilian Defense telephone has been installed and also the Shapleigh Fire Department will have a listing with the same number.

We have stored one of the Springvale Fire Department trucks at the station this winter with the understanding that we have the use of the truck if the need arises.

A fire truck fund has been started, which we hope in a few years will bring about the purchase of an additional truck.

The following is a copy of the Mutual Aid agreement made with the Town of Newfield Fire Department.

The Shapleigh Fire Department is pleased to announce that it has entered into a mutual aid agreement with the Newfield Fire Department.

This agreement will be as follows:

1. Any taxpayer, resident or non-resident of the Town of Shapleigh may summons the Newfield Fire Department to a fire in the Town of Shapleigh.
2. Any taxpayer, resident or non-resident of the Town of Newfield may summons the Shapleigh Fire Department to a fire in the Town of Newfield.
3. Alarms will be called in as follows:
Anybody calling to the Newfield Fire Department for aid on a fire in Shapleigh will call these telephone numbers:
 1. West Newfield 2019
 2. West Newfield 2001
 3. West Newfield 2582

Newfield will in turn call the Springvale Fire Department and inform them of the same, giving the name and exact location of the fire. While Newfield is enroute to the fire the Springvale Fire Department will actuate the siren aloft the Shapleigh Fire Station by means of a

radio signal generator. This will be one (1) long blast, 30-35 seconds. The first man at the Shapleigh Fire Station will ascertain the name and location of the fire from the Springvale Fire Department by means of telephone. They in turn will log it in on the fire call board and leave for the fire also.

In using this system it will be noted that Newfield, Springvale and Shapleigh Fire Departments will have been notified all within minutes. Newfield and Shapleigh Departments will be on their way and Springvale will be standing by in case additional help is needed.

It is believed that this will be of great value to those living in North Shapleigh, Ross Corner, and the Silver Lake Region.

I would like to make it quite clear at this time that this agreement does not in anyway effect the agreement Shapleigh has with the Springvale Fire Department. It just gives the people in the northern section of the town a lot better protection due to the distance in miles that the Springvale Fire Department is from them along with the Shapleigh Fire Station.

The Shapleigh Fire Department may be summoned to Newfield by merely calling the Springvale Fire Department. They in turn will sound the siren at the Shapleigh Fire Station and the first one at the station will call by phone to Springvale for the exact name and exact location of the fire in Newfield where they are to go. As you can see, your name and exact location of the fire is very important.

The cost of this system will be as follows: Equipment from either Shapleigh or Newfield will be free of charge.

Men from either town will be free of charge except when they are called out from work. In this case they will be reimbursed at their regular hourly rate they receive at their place of employment.

For fires in Shapleigh, the first man there with the truck will be in charge until an officer of the Shapleigh Fire Department arrives on the scene. It will also be the responsibility and duty of the fireman in charge to decide when to dismiss any out of town fire equipment and men. This order is to be given directly to the man in charge of outside equipment.

For fires in Newfield the order for dismissal must come to the man in charge of the Shapleigh Fire equipment and men from the Newfield firemen in charge.

In conclusion of this report, I would like to say that the Town of Shapleigh has a fine fire station. However, having the best fire station and equipment is useless without the proper man power. True, many of the townspeople know how to operate the fire equipment, but in view of the fact that your Fire Department is a Voluntary Fire Department, it is necessary that more people in the town learn how to operate the equipment and take an active part in its activities. We extend a cordial invitation to each and every one of you citizens to stop in at the fire house to learn how to man our present equipment and offer any suggestions you might have. This is YOUR fire department.

Respectfully submitted,

VINTON T. RIDLEY,

Chief.

ANNUAL REPORT OF PUBLIC HEALTH NURSING SERVICES IN SHAPLEIGH FOR THE YEAR 1960

Public health, in simple terms, is the sum total of the health of individuals and families living in a community. An organized program for public health is one that offers those individuals and families every possible chance of living and enjoying life, free from the handicaps of preventable disease and disability. In more formal terms, the objective of a public health program is to bring to all the people the benefits of modern medical and related sciences including the care and rehabilitation of the sick and disabled, the promotion of healthful living, and the prevention and control of disease.

A number of people are involved in the attaining of this objective. All together they make up a "health team." The public health nurse is an essential member of this team. She shares in planning and action with other workers in the fields of health education, and welfare; with physicians, hospitals, clinics; with school personnel; with citizen groups. One of her important functions is coordination with the others involved to provide public health services to individuals, families, and community. Citizens of the community are also essential members of the health team. Alert to the health needs of their community, taking their share of responsibility to meet these needs, their contribution as health workers is indispensable to the effectiveness of the public health program. A vital, dynamic working "health team" in the local community strengthens the public health not only of that community, but also of the State and the Nation.

Shapleigh's health team is made up primarily of the members of the Shapleigh Health Council; Dr. Moulton, physician for our school, and child health programs; Dr. Landers, podiatrist; school personnel and your public health nurse. It has been a busy year with excellent cooperation from each member of the team.

In January, 19 audiometer tests were given by your public health nurse. The hearing of second grade pupils and all students referred by the teachers as possibly hard of hearing was tested. Parents of those found to have a hearing loss were notified of the results and need for examination by a doctor.

Child Health Conferences were held at the Town Hall in April, May and June. Two babies and 25 pre-school children were offered at least one physical examination by Dr. Moulton. Any deviation from normal was explained to the mother and she was referred to her family physician for treatment. Six smallpox vaccinations, eight series and nine boosters of whooping cough, diphtheria and tetanus, plus two third polio immunizations were given. School health records were made out for those expecting to enter school in the fall.

When children were registered for school your public health nurse was there with the teacher to talk with parents and make out the school health records not previously done. This seemed very worthwhile as there was an opportunity to obtain a fairly complete health history and discuss any problems that had arisen since last visited.

The regular school physical examination program which includes an examination of each child in grades one, four, seven and all athletes was completed on November 15. That was quite a day. Dr. Landers examined the feet, legs and posture. Dr. Moulton exam-

ined the entire child. When this was completed she gave the following inoculations:

- Smallpox 13
- Revaccination 2
- Diphtheria
- Tetanus
- Boosters 22
- Whooping Cough 1
- Polio (third) 1 pupil, 5 adults
- Polio (fourth) 15 pupils, 7 adults

. At the same time a health council member was doing sugar tests on 102 specimens of urine for Diabetic Week. As I said before "it was quite a day" but well worth repeating as abnormal conditions found were:

- High Blood Pressure
- Heart Murmurs
- Bad Teeth
- Swollen Glands
- .. Inflamed Throats.
- Pronated Feet
- Enlarged Toe Joints
- Possible Shortness of Leg
- Inverted Toe Nails
- Irritation of Skin
- Short Narrow Shoes

These are examinations only; children are referred to the physician for evaluation and treatment. Notices were sent to all parents if further attention was needed.

Clinics used to supplement the work of the team and private physicians have been x-ray clinics at the Sanford Goodall Hospital established by your York

County Tuberculosis and Health Association, State Crippled Children's and Cardiac Clinics.

Your public health nurse is frequently the connecting link between those in need of care and the care itself. This is accomplished by visits to the homes. Some of these may be for health supervision of the babies or preschool child, some for followup of the local programs and clinics previously described. Wherever she visits her aim is good health for each member of the family.

Your health council has participated in nearly all phases of Shapleigh's program. A more detailed report of their activities will be found elsewhere in this report. May I take this opportunity to thank them and each of the other members of the team as well as the York County Tuberculosis and Health Association for their cooperation this past year.

Respectfully submitted,

MAREA L. CLEMENT, R. N.

Division of Public Health Nursing

TO THE TOWNSPEOPLE OF SHAPLEIGH

This is the annual report of your Health Council and its activities.

Our services to the community this year includes:

Three Child Health Conferences.

Physicians and Foot Clinic for all children in grades 1, 4 and 7.

Tetanus, Polio and Vaccination Shots for all children.

Sodium Fluoride Clinic for pre-school children and those in grades 1, 4 and 7.

We think this year we have made a significant contribution to the town in establishing a blood bank for residents of the Town of Shapleigh. Since our blood typing program last May we have donated nine pints of blood.

Our loan closet contains wheelchairs, crutches, hospital bed, all sickroom supplies, vaporizer and liquid, etc. These things are available to every resident of the town.

This year we purchased for the school: Sheets, Blankets and Pillow Cases for the sickroom cot; band aids and bandages for the children.

Our only endeavor is to create an interest in better community health and in so doing benefit us all.

LUCILLE MANSUR, Secretary

Shapleigh Health Council

June 27, 1960

Board of Selectmen

Shapleigh, Maine

Gentlemen:

In accordance with Chapter 311 and 405, Public Laws of 1957, I have examined at your request the records of the Town of Shapleigh for Fiscal Year ended February 1, 1960.

Insofar as could be determined, within the scope of the examination, the financial affairs of the Town of Shapleigh appear to have been administered in proper manner.

The results of the audit are disclosed in Exhibits and Schedules embodied in this report, and fairly present the financial position of the Town of Shapleigh.

Respectfully submitted,

PORTER A. HOBBS,

Public Auditor

NOTE: Complete audit report on file in Selectmen's office.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the Superintending School Committee, citizens of the Town of Shapleigh:

The enrollment in the Shapleigh Memorial School is 93. Although this is a decrease of 8 in the number reported at this time last year our enrollment has increased by 7 since the beginning of school in September. We have one tuition student from the Town of Acton.

The grades are grouped as follows:

Miss Barrieau	
Sub-primary	18
Grade 1	5
Mrs. Rand	
Grade 2	15
Grade 3	7
Grade 4	7
Mrs. Chellis	
Grade 5	10
Grade 6	12
Mr. Leighton	
Grade 7	10
Grade 8	9

There are 37 pupils from Shapleigh attending Sanford High School this year. This represents an increase of 9 over the number reported at this time last year. Of this number 8 are Seniors, 5 are Juniors, 9 are Sophomores, and 15 are Freshmen. It is anticipated that our enrollment will be 38 pupils for the school year 1961-62.

We are most fortunate in obtaining the services of Mr. Ernest Leighton to replace Mr. Dodge as principal and teacher of Grades 7 and 8. Mr. Leighton attended Gorham State Teachers College and has taken several extension courses during the past few years and has approximately 15 years experience as a teacher.

We are all please to welcome Mrs. Chellis back after a most interesting and educational year spent in the Philippines.

At the present time there are two studies in progress, both of which are aimed at improving the educational opportunities of the boys and girls of Shapleigh. A committee composed of members of the school committees of the various towns and other interested citizens are continuing their study of the possibilities of a formation of a school administrative district. These studies will continue through the spring with a complete report being made to the citizens of the various towns soon after the adjournment of the 100th Legislature. Another committee composed of the school committees of Shapleigh and Acton along with three interested citizens from each town are currently studying the possibility of the two towns cooperating to the extent that each town would be able to offer schools with one grade per teacher. In my opinion both of these plans have merit and should be studied very carefully. It is possible that there is no conflict between the two

studies and that the cooperation between the two towns could be established within the framework of a school administrative district with the towns receiving the additional benefits, both financial and educational, resulting from the formation of a district.

The school committees of School Union No. 6 have, in my opinion, taken a great stride forward in providing your Superintendent with the assistance of an administrative assistant. It is the sincere hope of your School Committee and Superintendent that this move will allow your Superintendent to spend more time in the classrooms working with your teachers in an effort to improve the quality of instruction at every grade level.

Once again may I express my appreciation for the continued cooperation of the School Committee, parents, and citizens of Shapleigh.

Respectfully submitted,

WILLARD T. JACOBSEN,

Superintendent.

WARRANT

To

LEON HAM

Constable of the Town of Shapleigh

GREETINGS:

In the name of the State of Maine you are to notify and warn the Inhabitants of the Town of Shapleigh, qualified to vote in Town affairs, to meet at the Town House in said Town on the eleventh day of March A. D. 1961, at 10 o'clock in the forenoon to act on the following articles to wit:

Article 1. To choose a Moderator to preside at said meeting.

The polls will be open for election of Town Officers immediately after the Moderator is elected and will remain open until the termination of the town meeting but will not close before four o'clock.

The business for action on the articles of the Town Warrant will open at 11 o'clock A. M.

Article 2. To elect by "Secret Ballot" Town Clerk, three Selectmen, Assessors and Overseers of the Poor, Collector, Treasurer, one member of the Superintending School Committee, Trustee Town of Shapleigh

School District, Road Commissioner, Northern District, Road Commissioner, Southern District, and Constable.

Article 3. To see if the town will vote to accept the reports of the several Town Officers for the year ending February 1, 1961.

Article 4. To see if the Town will raise and appropriate \$125.00 for public health nursing in Shapleigh. Said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service.

Article 5. To see if the Town will vote to authorize the Selectmen on behalf of the Town to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon, on such terms as they deem advisable and to execute quit-claim deeds to the grantees of such property.

Article 6. To see what sum of money the Town will vote to pay in regard to the wages paid for labor and trucks, tractor operator and town officers.

Article 7. To see if the Town will vote to raise and appropriate the sum of fifty dollars (\$50.00) to pay for the services of the Civilian Defense Director.

Article 8. To see what sum of money, if any, the Town will vote to raise and appropriate to pay premium of policy for Workmen's Compensation.

Article 9. To see what sum of money the Town will vote to raise and appropriate to be used with excise money for incidental expenses for the ensuing year.

Article 10. To see what sum of money the Town will vote to raise and appropriate to pay the Town's share of Social Security Tax and to pay the State Agency the Town's share of the cost of administration.

Article 11. To see if the Town will vote to transfer the balance of five hundred and seven dollars and twenty-eight cents \$(507.28) in the Snow Removal Account to the same account for 1961.

Article 12. To see what sum of money the Town will vote to raise and appropriate for Snow Removal on town ways for the ensuing year.

Article 13. To see if the Town will vote to authorize the Selectmen and Treasurer of the Town to borrow money for current needs of the Town in anticipation of taxes, by temporary loans, to be paid out of money raised by taxation during the current year; and execute and give the Town's note or notes as security therefor and to take up any outstanding note or notes of the Town in lieu and exchange therefor.

Article 14. To see what sum of money the Town will vote to raise and appropriate for the Support of Poor for the ensuing year.

Article 15. To see what sum of money the Town will vote to raise and appropriate for decorating and improving soldiers' graves.

Article 16. To see if the Town will vote to transfer the balance of twenty dollars (\$20.00) in the account of the Boys' and Girls' 4-H Club to the same account for 1961.

Article 17. To see what sum of money the Town will vote to raise and appropriate for Boys' and Girls' 4-H Club.

Article 18. To see if the Town will vote to raise and appropriate the sum of two hundred and eighty (\$280.00) necessary to cover street and Town Hall lighting.

Article 19. To see what sum of money the Town will vote to raise and appropriate for the repair of roads and bridges for the ensuing year.

Article 20. To see what sum of money, if any, the Town will vote to raise and appropriate for cutting and spraying bushes on town ways.

Article 21. To see what sum of money the Town will vote to raise and appropriate to be used on camp roads.

Article 22. To see what sum of money the Town will raise and appropriate for State Aid Roads Construction (in addition to the amounts regularly raised for the Care of Ways, Highways and Bridges) under the provisions of Section 25 and 29, Chapter 20, R. S. 1944, as amended.

Article 23. To see if the Town will vote to raise and appropriate the sum of three hundred and ninety-four dollars and eighty cents (\$394.80) for winter maintenance of State Highway.

Article 24. To see if the Town will vote to carry forward the balance of one thousand and six hundred thirty-one dollars and fifty-three cents (\$1,631.53) in

the Tractor Account to the same account for 1961.

Article 25. To see if the Town will vote to raise and appropriate a sum of money to maintain the Shapleigh Fire Department.

Article 26. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000.) to pay the second of a series of four notes executed to pay the costs of construction of the new Fire House.

Article 27. To see if the Town will vote to raise and appropriate the sum of three hundred and twenty dollars and twelve cents (\$320.12). Said sum being the net amount expended for fighting fire in 1960.

Article 28. To see if the Town will vote to raise and appropriate a sum of money for Civilian Defense for 1961.

Article 29. To see what sum of money the Town will vote to raise and appropriate for the support of schools and secondary transportation for the ensuing year.

Article 30. To see what sum of money the Town will vote to raise and appropriate for miscellaneous repairs for the Town of Shapleigh Memorial School.

Article 31. To see if the Town will vote to continue the committee appointed at the last Town meeting for purposes of studying the possibility of erecting a multi-purpose room at the Shapleigh Memorial School for another year and to carry forward the sum

of \$100.00 allocated to this committee at the last regular Town meeting.

Article 32. To see if the Town will vote to authorize the Shapleigh School Committee to buy a new school bus.

Article 33. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to pay the first of a series of three notes to be executed by the selectmen to pay the costs of a new school bus.

Article 34. To see if the Town will vote to raise and appropriate the sum of three thousand dollars (\$3,000.00) to meet obligations and necessary expense of the "Town of Shapleigh School District" for the year ending on second Saturday in March, 1962, under Section 5, Chapter 44, Private and Special Laws as passed by the Ninety-fourth Legislature, 1949.

Article 35. To see if the Town will vote to apply a seal coat of asphalt to the road beginning at State Aid No. 3 and extending to the foot of Harold Hooper Hill and from a point near the residence of Clyde Mann to the top of Perley Ham Hill and raise and appropriate a sum of money for same.

Article 36. To see if the town will vote to apply a seal coat of asphalt to the Goose Pond Road from Route 11 to Jimmy's Store and raise and appropriate a sum of money to pay for same.

Article 37. To see if the Town will vote to tar the Town Farm Road from the entrance to Indian Village to the road leading into the Dunnells development and raise and appropriate a sum of money to pay for same.

Article 38. To see if the Town will vote to tar the North Shapleigh - Newfield road beginning at the end of tar and extending toward North Shapleigh and raise and appropriate a sum of money to pay for same.

Article 39. To see if the town will vote to tar the road from State Aid No. 4 to the residence of Jack Ridley and raise and appropriate a sum of money to pay for same.

Article 40. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Town Dump on Route 11.

Article 41. To see what sum of money, if any, the Town will raise and appropriate to repair the road from Route 11 to the residence of Kenneth Fossa, Jr.

Article 42. To see if the Town will contribute the sum of \$150.00 towards the construction of a Water Hole on the westerly side of the road at the foot of Crediford's hill. Said water hole to be used for fire protection. On petition of Leon E. Crediford and fourteen others.

Article 43. To see if the Town will vote to plow and sand the road by the residence of Harold Wadsworth so the road will be passable in winter months, or to have the so-called road, 42nd Street, leading into Ham's Cove, approximately one-tenth of a mile, declared as a town road. On petition of Harold and Mabel Wadsworth and twenty-six others.

The Selectmen hereby give notice that they will be in session at the Town House, Shapleigh, on March 11, 1961, at nine o'clock A. M., for the purpose of revising and correcting a list of voters.

Given under our hands at Town House, Shapleigh, the twenty-fourth day of February, 1961.

CLARENCE B. PIKE,

RUSSELL H. DAY,

CARL G. WHITE,

Selectmen of Shapleigh.
